UI/UX DESIGNER

gopinathm04@outlook.com | +91 8220073478 | Chennai

CAREER OBJECTIVE

To build user-focused UI/UX designs that are intuitive, functional, and visually appealing.

WORK EXPERIENCE

UX/UI Design • Internship

Zada Star, Nungambakkam

As a UI/UX Designer at ZadaStar, I created intuitive interfaces, wireframes, and prototypes. I conducted user research and collaborated with developers to ensure seamless user experiences and design functionality.

Field Sales Manager

Reliance Digital, Chennai

Currently I'm working in Reliance Digital as a Sales Executive Manager.

Graphic Design • Internship

Spayush, Nungambakkam

As a Graphic Designer at Spayush, I created logos, banners, and social media posts. I used Photoshop and Illustrator to deliver designs on time while maintaining brand consistency and supporting marketing campaigns.

PROJECTS

Website for ZadaStar

Nov 2024 - Dec 2024

I was part of the team that worked on creating the ZadaStar website during my internship and contributed significantly to its development.

Electronic Drums

Apr 2023 - May 2023

We have created an electronic drums project to reduce the cost of the products in the online section. I did a programmer role in that project and it got 2nd place in national level symposium at Chennai Institute of Technology.
